WINDOWS AND SCULPTURES  
FROM THE CATHEDRAL IN  
FREIBURG, GERMANY

## Still a heart for Deutschland !

After spending time in the Spring in Germany, God allowed us to return this summer to minister once again in some churches and to help with English youth camps. Recognizing fully well that Mike is still in recovery mode from his stroke last summer, God chose to use our

weaknesses to show His strength! Cheryl loved teaching English classes during the day and Mike was the evening Bible speaker. Many opened themselves up for prayer and ministry and we pray for them to continue their walk with the Lord now after the

camp. It was such a privilege to be able to go and allow God to use us. We had a special blessing of having Joann, our daughter in law and our grandson, Anthony, both accompany us on the trip to assist us the first two weeks of camp.

## TESTIMONY FROM CAMP AT NEW LIFE BIBLE SCHOOL

"GOD HAS EXCEEDED OUR EXPECTATIONS FOR THE CAMP THIS YEAR. LIKE NEVER BEFORE WE EXPERIENCED HIS HEALING AND RESTORING POWER. TEENS GAVE THEIR LIVES OVER TO HIM AND WERE TOUCHED BY HIS PRESENCE. SEEING TEENS WHO WERE PARTICIPANTS IN PREVIOUS YEARS STEPPING UP TO BE STAFF MEMBERS WAS REALLY ENCOURAGING. MANY LIVES HAVE BEEN CHANGED, NOT JUST TEMPORARILY BUT FOR THEIR ENTIRE FUTURE. WE ARE SO THANKFUL." CRISTA BRAUN, MUSIC TEAM FROM PARAGUAY

## "For where your treasure is there will be your heart also." Matthew 6:2

In April of this year I gave one of the shortest sermons ever. It lasted five minutes! After I was finished I said, "And now Cheryl will continue." It may have seemed funny but for me it was all but that! Because of my stroke, I simply could not move onto the next point of my sermon. My memory failed and for some brief moments I wondered if it was the end of my preaching.

Much healing has happened since that time and although I may not be able yet to read my notes for sermons, the Lord

has helped me to adjust and still preach using much preparation. This summer with God's help, I was able to preach entire sermons once again.

With my current vision impairment, we have discovered that it is very helpful to have a person tell me their name as they approach me. I have had to become more dependent on HIM than ever before and that is good because HE receives all the glory!

# Healing power of Jesus!

“Some months ago I went through a very difficult time. Even though I had grown up in a Christian family, I felt that everyone said to me, “You just have to have faith in God.” I finally discussed this issue with Mike and he told me “Pam, there are times in our life when it is difficult to develop our own faith and we feel under pressure to do so. Then he said, “Will you let me have faith for you? You do not have to produce your own faith and you don’t even have to pray. Let me pray for you and have faith for you.” The pressure was immediately gone from me. Today I am happy following and serving God again. I have realized how much we need other Christians to stand with us to encourage us during times when it is difficult for us to stand alone in our faith.
